The background of the entire advertisement is a close-up, high-contrast image of the American flag. The stars are a bright, metallic silver color, and the stripes are a deep, dark blue. The flag appears to be waving, with soft folds and highlights that give it a three-dimensional, fabric-like texture. The lighting is dramatic, with the stars being the brightest elements against the dark background.

DEPARTMENT

If purchasing weapons, less-lethals, or similar items, we require department letterhead per ATF or Purchase Order. Some manufacturers require an original letterhead, but in most cases, we can accept an emailed copy. We will also need a Federal Excise Tax Form if the Police Department is exempt. This form/tax differs from Sales tax and must be completed to receive the 11% discount. This form can be used for a one-time purchase or it can be saved for up to three years.

We offer 0% Net 30-day terms to all police departments. We accept ACH, credit card, or checks as payment. You may also pay with credit card when placing your order, but it is not required.

For ammunition and accessories, we need something in writing from the department authorizing the purchase. We will also need the billing and shipping information listed to ensure we mail the invoice and product to the correct location(s). A Federal Excise Tax Form is required for all ammunition purchases as well.

OFFICER

For gun purchases, we will either need Officer Letterhead for ATF or a copy of the officer's current valid driver's license, police ID, and Federal Firearm License to make transfer. (FOID for IL residents.)

For ammunition and accessories we will need something in writing from the officer authorizing the purchase. They will also need to confirm their billing and shipping address.

Officers must prepay.

WE WANT YOUR TRADE-INS!

Ditch Surplus

Save Money

Upgrade Gear

We take just about **anything** on trade

STOP destroying or selling confiscated property and surplus duty gear. Trade it in or sell it to Kiesler Police Supply in exchange for new duty equipment, ammo, firearms – whatever your department needs.

Kiesler specializes in departmental trades and sales to allow departments with limited budgets to acquire or replenish critical equipment. If you need new firearms, we will take your current duty weapons on trade and apply the amount to new purchases. Changing calibers? No problem – we'll take your current inventory of unused ammunition and replace it, whether it is duty or training ammo.

Confiscated weapons are another source of potential trade revenue for you, and we've taken in thousands over the years. No need to be concerned about where these guns may wind up, either. We will work with your department to determine what restrictions, if any, need to be in place regarding trades that were confiscated.

Not interested in trading duty weapons, ammo, or confiscated guns? No problem! We have always taken just about anything: patrol bikes, traffic spikes, old department vehicles, snow blowers, generators, gas masks, batons, office furniture... literally just about anything.

HOW TO TRADE ITEMS IN:

1. Email your list of trade items to service@kiesler.com or use the form on our website to obtain a free estimate.
2. Call one of our knowledgeable representatives at **812.288.5740**
3. Fax us a list of your trades, along with your contact info, to **812.288.7560**
